Explanation of Class I, II, III, IV

Class I : Sierra Vista Unified School District

This category is reserved for SVUSD sponsored activities (ie: PTO, Booster groups, JROTC). Some activities may be charged fees to cover technical and custodial services.

Class II : Community

This category includes use of facilities by civic, service, religious, governmental agency, educational user or other “non-profit” group. Fund raising activities by Class II groups will be charged Class III fees unless one of the following conditions apply:

1. All sponsors/performers must reside within the boundaries of the SVUSD.
2. More than 40% of all proceeds be dedicated in support of SVUSD scholarships/programs.

Class III : Commercial

This category is a civic, service, religious, governmental agency, or educational user sponsoring an event for the specific purpose of charging a fee.

Class IV : Entrepreneurial

This category is an individual or group desiring to use a SVUSD facility to make a profit.

Staffing Fees

A fee for opening and closing facilities outside the regular business day will be charged at a two hour minimum or \$50.00.

Additional staffing will be determined based on the user's provided information and requests. Anticipated staffing needs for each event will be presented in a written estimate upon request. Needed staff may include custodial, event assistant, kitchen, technicians, event supervisors and special security, etc. The final invoice will reflect actual use.

Equipment

Rental fees include installed equipment additional equipment rates will be assessed in the estimate. Additional requests and requirements will be reflected in the final bill.
