

USE OF SVUSD FACILITIES: COVID-19 AMENDMENT

The Group/Organization ("User") referenced in this application certifies that the information provided is true and correct. User agrees to strictly observe and enforce all rules and regulations of SVUSD, the principal of the school where the use will occur, as well as those enumerated in the Rules/Regulations in the facility use agreement. The applicant further agrees that the applicant and the responsible officers or representatives of the applicant Group/Organization must, as a condition to this request, save and hold harmless SVUSD for any and all liabilities, including fraudulent and/or groundless accusations of liability, resulting from his/her/their use of school facility.

User is required to be covered by comprehensive general liability insurance. User is responsible for obtaining said insurance and must also present satisfactory proof that such a policy is or will be issued to cover the proposed use if this request is approved. The application will not be approved until satisfactory evidence of insurance naming Sierra Vista Unified School District/SPECIFIC SITE as additional insured is presented in a face amount of not less than \$1,000,000.

User agrees to follow all guidance, rules and regulations as set forth by national, state, local governments and health departments regarding the infection risks and concerns on COVID-19. The user agrees that SVUSD is to be held harmless whether a COVID-19 infection occurs before, during, or after participation in the contracted user group activity. Additionally, the user agrees to disseminate information to all families, volunteers, and spectators on the risks and organizational efforts being undertaken to mitigate those risks, as outlined below.

- Best social distancing practices to be followed — stay six feet away from individuals; wear a cloth face covering; avoid direct hand or other physical contact.
- Provide access to handwashing stations and/or hand sanitizer, if possible that contains at least 60 percent alcohol.
- All surfaces of shared equipment and frequently touched surfaces must be cleaned and disinfected with an EPA-approved disinfectant against COVID-19 and allowed sufficient time to dry before next use.
- Organizers should schedule sufficient time between practices to facilitate the complete exit of individuals from a previous practice before the next group enters.
- Attendance should be limited to only essential volunteers and limited family members.
- Consider a sign-in roster for contact tracing.
