

Welcome to Forest Wild Ones

Welcome to **Forest Wild Ones**, where adventures begin.
A place to explore, learn new things, and feel safe within.

These are the grown-ups who help each day.
They listen, guide and show the way.

Our classroom sits beneath the trees.
We learn through nature, fresh air and breeze.

Around the fire we gather near.
Cooking, learning and sharing cheer.

We build big dens and make things too.
Working together is what we do.

We search for bugs and animal tracks.
Nature is full of things to explore and facts.

We earn Pawprint badges for things we try.
Each challenge shows how our skills can grow high.

Your Wild Passport tracks what you do.
Each adventure shows something new.

Your Forest Wild Ones journey starts today.
We can't wait to learn, explore and play. 🌿
