

Journey together in Christ

LONELINESS... has become epidemic.

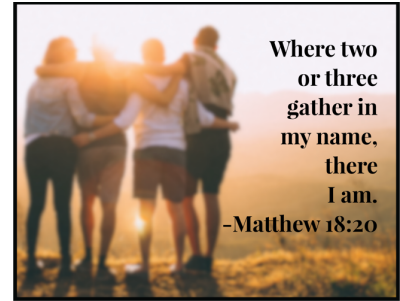

TRUST... is at an all time low.

LOYALTY & COMMITMENT... have been co-opted
by a consumer culture that preaches “me-first!”

There is no longer much room for God & the faithful community.

AGAPE' JOURNEYS MINISTRY

brings a unique blend of a deeper prayer life,
leadership trainings, retreats and pilgrimages
that lead to vital and faithful individuals,
small groups and congregations.

Schedule now:

Partners in Renewal

Joanne and Rev. Dr. Terry Van Hook bring over 60 years of combined experience in prayer, leadership training and pilgrimages locally and around the world.

Terry is a D.Min graduate from Claremont School of Theology and Joanne has a Certificate of Spiritual Direction from Mount St. Mary's College in Los Angeles.

Both have a wonderful way of relating in God's unconditional love in Jesus Christ.

“It takes work to swim upstream against the currents of a culture so intent on eroding the inner life.

Coupled with a growing isolation and a pervasive divisiveness, we soon lose love, meaning, hope and life itself. We become angry and bitter at life.

Christ said: *“I came that they may have life and have it abundantly.”* (John 10:10)

Joanne and I are committed to exploring that life in Christ with you.
