1:30 – 3:00	Afternoon Workshops – 3 Choices
3:00	Closing

MORNING WORKSHOP FOR EVERYONE: STEWARDSHIP & DIGITAL GIVING

Explore ways to change the culture of giving, ways to love people through asking, and practical methods of future financial support. We will provide a detailed journey towards digital giving and Push Pay. This workshop will be led by Pastor Jim Powell.

AFTERNOON WORKSHOP #1: ACCOUNTABLE SMALL GROUPS

Accountable Small Groups are the one necessary and crucial 21st Century strategy that we so often fail at. Can the "Wesleyan Engine" for faith formation truly become the heart of our movement again? This workshop updates Covenant Discipleship with the power of Affinity Groups. You'll learn the 3 ways of starting/restarting accountable small groups and how to keep them growing, multiplying. Pastor Terry Van Hook has been in small group ministry for 40 years and he knows what works and what doesn't. He'll share a proven strategy that builds faithful, authentic Christians, mentors new leaders AND responds to current social justice needs. This workshop will be led by Pastor Terry Van Hook, retired.

AFTERNOON WORKSHOP #2: KINGDOM CONNECTED – DOING MINISTRY TOGETHER

Making a plan to incorporate Children's Ministries as an integral part of your church community. Finding ways to impact the lives of children and families through both fee based (school) and non-fee based (church) ministries as one. This session will be led by Cynthia Henisey, Director of Children's Ministries Palmdale UMC and Sandra Clemons, Director of Palmdale UM Educational Services.

AFTERNOON WORKSHOP #3: SHARING YOUR FAITH

Everybody has a story about coming to faith and encountering challenges along the way. You've heard it said, "Your test becomes your testimony." This workshop will help you be able to consider and process your faith story, as well as practice sharing it in a way that is appropriate and compelling to others. It will prepare you to feel ready when you encounter someone who needs to know that no matter what they're going through, with Christ, it can be better. Your faith story can and will inspire others. This workshop will be led by Pastor Mary Dennis, North/East Districts Change Manager.
