

LONELINESS...
has become epidemic.
TRUST...
is at an all time low.
LOYALTY & COMMITMENT...
have been co-opted
by a consumer culture
that preaches “me-first.”
There is no longer much room
for God, & faithful community.
AGAPE' JOURNEYS
counteracts all that with a
unique blend of deeper Prayer,
Leadership trainings,
Retreats, Pilgrimages, Coaching
and Spiritual Direction
that leads to vital
faithful individuals,
small groups and congregations.

EACH ONE IS UNIQUE

God loves diversity, and so much of the beauty around us is found in differences. Bringing all this great creation together is the gift of God's unconditional love in Jesus Christ. Our blend of Centering Prayer, Leadership Workshops and Trainings, Day-Week-and longer Pilgrimages offers flexibility as well as Ancient/Future engagement.

Joanne and Terry Van Hook have partnered together in ministry in churches small, medium and large.

It takes work to swim upstream against the currents of a culture so intent on eroding the inner life.

Coupled with growing isolation and a pervasive divisiveness we soon lose love, meaning, hope and life itself.

Christ said: *"I came that they may have life, and have it abundantly."* (John 10:10)

We are committed to exploring that life in Christ with everyone around us.

See our website for more detailed offerings, current classes and engaging opportunities for you and your congregation. Schedule the kind of personalized and local engagements that leave a lasting influence on you and your congregation. All for a free will offering!
