

GREEN NILES  
GROUP

# OUR SALT PRODUCTS

**With a steadfast commitment to quality and innovation, we offer a diverse range of premium salt products, including:**

I

## Row Rock Salt

Directly extracted with impurities intact; used primarily in industrial and agricultural sectors.

II

## De-icing Salt

Deicing salt helps prevent collisions, injuries, and highway fatalities, which is why many states rely heavily on deicing salt in winter.

III

## Industrial Salt

Industrial salt, also known as sodium chloride or common salt, is a vital raw material used in various industrial applications..

IV

## Food Salt

High-purity salt used in pool chlorination systems for clean, safe swimming environments.

# WE ALSO PRODUCE

01

## Fertilizers for Agriculture

- Phosphate (P)
- Super Phosphate (SSP)
- Triple Phosphate (TSP)
- Diammonium Phosphate (DAP)
- Urea

02

## Cement, Clinker, & Construction Materials

- Clinker
- Gypsum
- Cement
- Calcium Carbonate

GREEN NILE

# FOODS

**We "We proudly offer a wide range of high-quality food products from Egypt, including fresh vegetables, fruits, and more – carefully selected and exported to meet international standards."**

# AT GREEN NILE , ...

## Green Nile — Where Quality Meets Commitment

From the moment you place your order until it's successfully loaded and shipped, we stand by your side every step of the way. Our team closely monitors every stage — sourcing, packaging, logistics, and documentation — to ensure a smooth, transparent, and professional export experience.

And unlike others, we don't stop there — we follow up with you until your shipment arrives safely and is received in perfect condition.

With Green Nile, you're not just a client — you're a partner.

Experience the difference. Choose excellence. Choose Green Nile.

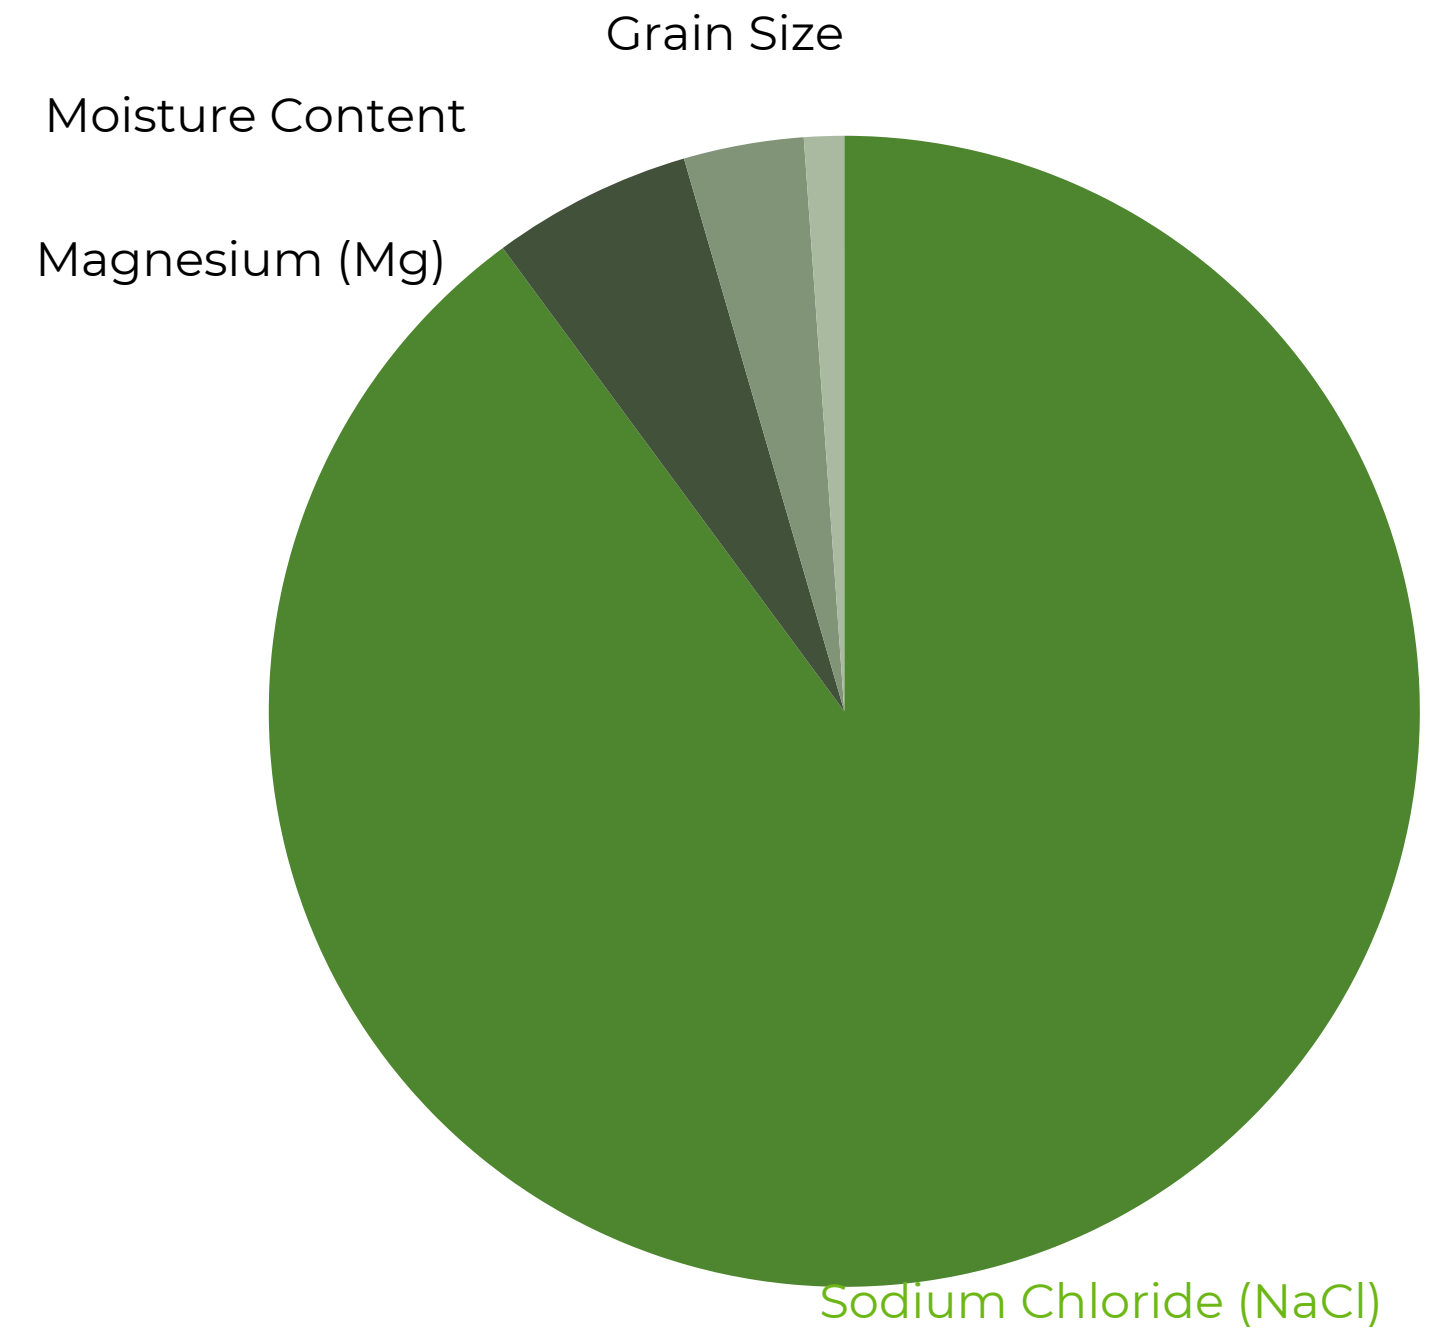

# OUR PRODUCTS QUALITY

Our products are manufactured to meet the highest standards of quality and purity. We also offer customizable chemical properties to cater to our clients' specific requirements. Key product specifications include:

- • Sodium Chloride (NaCl): 95.00% to 99.50%
- • Magnesium (Mg): From 0.01%
- • Moisture Content: 0.15% to 5%
- • Grain Size: Adjustable upon request
