

# IMPORTANT NOTICE TO RESIDENTS: EXTERIOR TREATMENT — INSTRUCTIONS —

## DURING TREATMENT

### 1 DURING TREATMENT — Stay Clear

- Please stay out of all areas being treated
- Keep a safe distance from the technician while work is being performed

### 2 AFTER TREATMENT — Give It Time

- Avoid lingering in treated areas for at least 2 hours
- This allows products to properly settle and dry

**2 HOURS**

### 3 PET SAFETY

- Keep all pets out of treated areas for at least 2 hours
- Do not allow pets to contact wet surfaces

### 4 WINDOWS & DOORS

- Keep all windows and doors closed during treatment
- Avoid opening windows near treated areas for at least 2 hours
