

# JOHNSON CREEK VILLAGE

## MEET THE TEAM

### Our Founder & Executive Director

Owner and Operator of Licensed Residential Care Home in Hawaii from 1995-2016. Janneth has been an RN for over 30 years with experience in Acute Care, Community Nursing, Nursing Agency Supervisor and Semi-private Duty Case Management. In 22 years of owning an assisted living residence in Hawaii, she never discharged a resident because their care became too difficult.

Janneth moved to NH to be closer to her kids and grandchildren. Recognizing the need for a better way of living and alternative approach to care, Johnson Creek Village has a commitment to offer Holistic Senior Care in Dover, NH.

Aramis shares the commitment and desire to care for others and has joined his mother to create an environment that promotes independence, well-being and an improved quality of life for seniors.

***They are a family committed to families focused on Compassion, Dignity and Respect.***
