# Building on Hope in 2024

July 2024

## Building on Hope in 2024 Updates

**Construction Committee**

- The build is in progress!!! We have had several build days and only rained out once! The walls are up at the Habitat House and we are close to being ready for the roof.

**Marketing Committee**

- Cupcake Fundraiser was a success. We had 10 Bakers and raised around \$1,600. A special Thank you to Cindy at the Rendezvous for the use of her location and making some pretty yummy cupcakes. The Cupcake Queen, Kristen Pedersen Stalkfleet was our winner of the Best Cupcake in Muscatine.
- Jessica has been working on marketing materials for Thank you Cards to our volunteers and those that donate. She also has just created a new Donation Request Card that we will send to area businesses this month. The donations keep coming in!!!! The momentum is there.

**Family Selection Committee**

- The Family Selection Committee came up with a new process for follow up with and continue our partnership.

## Cupcake Bake-off

## **Board of Directors Spotlight: Paul Kraushaar**

Paul is a retired Physical Therapist who was the President and CEO of Muscatine Physical Therapy Services, P.C. He was in practice for 42 years and during that time served on the Board of the Iowa Physical Therapy Association as a Member and Vice-President. He also served on the Board as Member and President of the Nominating Committee of the Private Practice Section of the American Physical Therapy Association. He is currently appointed until May of 2025 as an Adjunct Associate Faculty with the University of Iowa Department of Physical Therapy and Rehabilitation Science. Locally he has served on the Board of the Muscatine Chapter of the American Red Cross and the Board and President of the St. Mary & Mathias Board of Education. He also is a volunteer counselor at Senior Resources with the local office of SHIP (Senior Health Insurance Information Program) which helps people with their Medicare enrollment and their yearly drug plan changes as well as preventing Medicare Fraud/Scams. He joined the Board of the Muscatine County Area Habitat for Humanity in 2021 as he has always felt that helping people get a “Hand Up” is an important Christian responsibility. He helps our Habitat for Humanity by serving as the Habitat Certified Competent Person on the jobsite to ensure volunteer safety during construction.

## **Marketing Committee Spotlight: Mackenzie Tetmeyer**

Mackenzie serves on the Habitat for Humanity Marketing committee and also created the Habitat website. Mackenzie is the office Manager overseeing the daily operations of RERA. She serves on the Mulberry PTO. Mackenzie is involved and volunteers in our community. Thank you Mackenzie for all you do.
