Come see the season's beauty at our church tour fundraiser

Tour of Churches is Sunday, Dec. 7 from 2-4 p.m.

As a nod to our organization's Christian roots, the Muscatine County Area chapter of Habitat for Humanity is taking this year's tour fundraiser into churches!

- Cost: \$20, free for children 5 and under
- 6 local churches welcome you!
- Refreshments provided
- Raffle: Iowa Men's Basketball tickets, Putnam Museum tickets, air purifiers
- Suitable settings for Christmas photos!

Get your tickets for this Habitat fundraiser by using the QR code at right, going to muscatinehabitat.org/upcoming-events, stopping by our office at 100 W. 2nd St., Ste. 1 (inside Real Estate Resource Associates) or day-of at the door of any participating church.

Thanks to all the help, remaining work is inside

Thanks to all the volunteers and contractors spending many whole days on the site of the Habitat House at 1246 E. 5th St., the remaining work will be indoors – just in time as the weather has turned colder. There are two more volunteer build days.

At this point, Nicole Fulton, our Habitat partner/homeowner, is choosing indoor finishes, such as wall colors and kitchen countertop surfaces.

Continued on back

2025 build (so far) by the numbers

Jaime has served as the Director of Human Resources for Muscatine Community Schools since 2021. Prior to that, she spent 17 years with the Davenport School District. Her work is fueled by a commitment to cultivating positive school cultures where employees feel supported, valued, and empowered to do their best work for students.

Jaime has a bachelor's degree in German and political science from [REDACTED] and a master of arts in human resource management from St. Mary's University [REDACTED] lives in Davenport with her husband but spends much of her time in Muscatine. [REDACTED] work includes being a "Big" with Big Brothers Big Sisters and serving as vice president of the [REDACTED] organization that sends fourth-grade girls to camp. Welcome Jaime!

We welcome Chuck and Amy, and we appreciate getting a “twofer” deal with their volunteerism!

A collage of six photographs showing various construction workers in different settings. The top left photo shows a welder in a brown protective suit and mask, working on a metal piece. The top middle photo shows a worker in a black t-shirt and jeans using a miter saw to cut a piece of wood. The top right photo shows a worker in a black t-shirt and jeans kneeling on a wooden structure, possibly a roof or a large wall. The bottom left photo shows a worker in a black t-shirt and jeans kneeling on a wooden structure, possibly a roof or a large wall. The bottom middle photo shows a worker in a black t-shirt and jeans kneeling on a wooden structure, possibly a roof or a large wall. The bottom right photo shows two workers, one in a red shirt and one in a grey shirt, working on a wooden structure, possibly a roof or a large wall.

Many hands make the work light. Thank you!
