Dear Parents,

Welcome to Camp 2000! We are extremely excited to have your child join us for what promises to be a summer filled with fun, learning, and unforgettable memories.

At Camp 2000, we are committed to providing a structured, engaging, and safe environment where every child can thrive. Our program is designed to support your child's growth through fun-filled educational activities and skill-based experiences that enhance both social and learning development.

We are proud to offer a diverse range of learning activities and an interactive curriculum that encourages exploration and creativity. Our caring, talented, and experienced staff are well-equipped to meet the individual needs of each camper, helping ensure a positive and enriching summer experience for all.

Camp officially begins on June 16, 2025, and ends on August 29, 2025. Please note that all campers will begin on the date selected on their registration form. It is extremely important that all parents attend the mandatory orientation prior to their child's start date. Campers will not be permitted to attend on opening day without this requirement being met.

Additionally, please ensure that:

- All registration documents are completed and submitted.
- Registration fees are paid in full prior to the start date.
- All campers arrive with their required camp supplies to ensure they are fully prepared for their first day. All campers cell phones are required to check- in daily. Rain days off site

Important food and meal information:

- Campers must bring a packed lunch during the first week of camp (June 16–20, 2025).
- Starting the second week of camp (June 23, 2025), lunch and snacks will be provided.
- Breakfast will only be available for campers enrolled in early service hours due to ongoing building construction. Off Site location: Saint Matthew A.M.E. Church 215 N 57<sup>th</sup> Street

We are truly looking forward to collaborating with you and your child this summer. Our goal is to provide a life-changing experience that your child will carry with them long after camp ends.
