

## Summer 2026 Youth Encampment

Preparing for a Fun, Safe & Exciting Summer!

Dear Parents and Guardians,

Hello Family. On behalf of Camp 2000, we would like to extend a warm welcome and thank you for registering your child for our 2026 Summer Encampment. We are excited to have your family join us and look forward to a fun, engaging, and memorable summer experience for all our campers.

As we prepare for the upcoming camp season, we want to remind you that attendance at one mandatory orientation session is required for your child's registration to be considered complete.

Please select one of the following orientation dates:

- May 16, 2026

- June 6, 2026

Time: 11:00 AM

Location: Daroff School

5630 Vine Street

During the orientation, we will review important camp policies, schedules, activities, and expectations. This is also an opportunity for you to ask questions and ensure that all required paperwork is completed.

If you have any outstanding documents, you may bring them with you to the orientation session. All required forms must be submitted prior to your child's first day of camp to ensure full participation.

We appreciate your cooperation and commitment to helping us provide a safe and successful camp experience. Camp 2000 is dedicated to creating a positive environment filled with learning, fun, and exciting opportunities for every child.

Once again, thank you for choosing Camp 2000. We look forward to meeting you and your child at orientation and sharing a wonderful summer together.
