CAMP 2000

Spend the summer with us

Our program will begin on June 16, 2025 – August 29, 2025. The program is designed to encourage children to enjoy learning. Participating in activities, exploring nature and science, sports and academic programs daily. CAMP 2000's unique style and opportunity is valuable in knowing your child's personality and his/her learning. Our summer program is challenging, enlightening, and design to capture and help to develop your Childs abilities to learn. Our mornings will begin with academic programs math, reading, and writing. Afternoon activities are fun in learning arts& crafts cooking, sewing, sports activities, and weekly trips. All meals are provided daily breakfast, lunch, and snacks.
