What class does my entry belong in?

1).If your item is primarily flat (quilt, wall hanging, table runner), it goes in a Small, Medium or Large Quilt Class BASED ON THE MEASUREMENT OF THE LONGEST SIDE. It doesn't matter if this is a top or side measurement - the LONGEST side determines your category.

2).If your entry is NOT flat, it goes in the new Unique Creations Category. This includes wearables, hats, pillows, totes, jewelry, furniture, stuffed animals, book covers, whatever.

3). The CVQG 2026 Challenge is "Seasons." You can depict a single or multiple season(s). For the Challenge Class the longest side CANNOT exceed 40 inches, NO EXCEPTIONS!

4).Youth entries are MADE by people 14 years or younger. Please indicate maker and age in your description.

5).If you enter your quilt in the wrong class, it will be moved. Please help the Registrar and Designer by MEASURING the LONGEST SIDE, LOOKING at the size limitations/class descriptions and entering the correct class!
