Construction

A Better Approach to Construction

www.davidpriceconstruction.com 919-291-5532

We partnered with the homeowners to create a peaceful living space for their mother in law. David met and discussed their ideas and came up with a comfortable design to convert the existing detached garage to an efficient yet homey space.

The existing garage was demoed to a blank slate on the inside, we were able to frame out a nice sized kitchen area, comfortable living and sleeping space, and a roomy bathroom. The Countertops are a sleek and beautiful Calcatta Gold Quartz, and the cabinets are the Waypoint series with stunning gold hardware. The Bathroom continues with Calcatta Gold countertops but a nice contrasting navy finish for the cabinets with more gold hardware. For Flooring we added a durable but lovely Marinet Bay Kona colored Vinyl Plank tile.

DIRECTIONS

Coming From Raleigh on NC 50. Turn left on to Turner Farms Rd. Continue on Turner Farms Rd. Take Rolling Field Dr to Turner Farms Rd. Turn left onto Turner Farms Rd. Turn right onto Glen Cox Dr. Turn left onto Rolling Field Dr. Turn left onto Turner Farms Rd. Destination will be on the right
