**Frankly Speaking - From the CLS
Principal's Desk
January 7, 2021**

Greetings from the Principal's Desk (at Van Horne, St. John, Newhall, St. Stephen, Atkins, and my truck!),

HAPPY 2021! I pray your New Year has started off well!

Thank you! Thank you to all families who so graciously gave a Christmas gift to me, your teachers, and or to the school this year! We are so blessed to be here at CLS and share God's love with your children every day!

Building Update! - A new metal roof has been put on the school. So, now all the covers on the school look the same - no shingles! Also, today, as I type this, we have switched to Perfection Property Restoration and they are taking out and putting in new insulation in the area of the building where the bandroom/computer lab and upper grade classrooms are. I would ask that you would please pray for the workers to get our school back together so we can return in a timely manner. Thank you!

Just a Reminder - Please continue to keep Jackie and me updated on COVID situations in your home. Even if we are having school online, we still are required to know if any students are getting tested for COVID or any family members as well as those who test positive, negative or are in quarantine. Also if your child is sick with the flu or some other reason and NOT going to be online with their teacher - please call Jackie or email her to let her know. Thank you for your help with this. **Also, we are no longer taking temperatures at the door as your child comes in. We would ask that you please take their temperature at home before they leave to come to school. Thank you.**

National Lutheran Schools Week - Our celebration of National Lutheran Schools Week that was originally scheduled for the last week in January, has been moved to March. The reason for this move is so hopefully, we will be back in our CLS building by then so we can all celebrate together as a CLS family.

End of the quarter will be Friday, January 15, with a new quarter starting on Monday, January 18. Teachers will be working on report cards during the week of the 18th. Please encourage your child to make sure to get all assignments turned in on time. And with that news, that means Parent/Teacher Conferences are right around the corner. Right now, they are on the calendar for Feb. 10 and 11.

If you have time, could you drop me an email to let me know how things are going? If there is anything I can do to help with your child's Christian education here, please give a call (319) 320-5756, or email (principal@centrallutherschool.org).

God's blessings!
Serving Him and moving FORWARD IN FAITH!
