

# Onsite Collection Setup Waiver & Checklist

For Clients Who Choose to Waive the \$45 Setup Fee

If you choose to waive AFL Mobile Drug Testing's \$45 setup fee, you are responsible for preparing a collection-safe testing area according to federal and non-DOT protocols. Please review and complete the checklist below before your scheduled testing time.

- Secure, private restroom with locking door
- Toilet bowl water must be blued or covered
- Remove soaps, cleaning agents, and air fresheners
- Disable or remove all water access (if possible)
- Trash can for disposal
- Proper ventilation in collection area
- Collection area must be within 25 feet of parking or main entrance

NOTE: If the collection area is not properly prepared at the time of arrival, additional fees may apply for on-site setup, wait time, or re-collection. This form must be signed prior to service.
