

SAGE SHOOTING RANGE RULES

!!!! FIRST THINK SAFETY !!!!

- 1. NO CONSUMPTION OF ALCOHOL OR DRUGS WHILE SHOOTING**
- 2. Eye and ear protection must be worn at all times when shooting.**
- 3. Always make sure it is safe before going down range.**
- 4. Targets:**
 - a. When shooting steel targets, the minimum distance is 10 yds for pistols calibers and 100 yds for rifle calibers**
 - b. No rifle calibers are to be shot at steel targets on the upper/short ranges.**
 - c. No steel core or steel jacked bullets are to be shot at the steel targets**
 - d. Do not shoot shotguns at the target boards**
 - e. No glass on any range as targets**
- 5. Make sure the appropriate range flag is raised before shooting. If you are the only shooter on the range, take it down when you are done.**
 - a. Upper Ranges: Located at the shade area in the middle of the facility**
 - b. Lower Rifle and Shotgun area: Located adjacent to the rifle area**
- 6. When using the 500 yd targets**
 - a. Make sure no one is on the other ranges**
 - b. Put the sign out**
 - c. Block the road with the safety cones so no one can proceed onto the range.**
 - d. If someone comes onto the range immediately cease fire**
- 7. Keep the range clean**
 - a. Don't leave a mess for others**
 - b. Return any equipment used or moved**
 - c. Take your trash and targets with you or put it in the trash cans**
 - d. Brass cases can be left on the ground but pick up your shotgun cases**
- 8. Shut and lock the gate when entering and exiting the range**
