

Walt Disney World - Check

You and your family love Walt Disney World, The Rides, The Disney Resorts & Disney Characters! However, you have taken the family numerous times to the Most Magical Place on Earth...so....

Now, it is time for your vacation to be the magic of a Disney Vacation, along with the excitement of an ocean voyage AND the adventure of the destination!

What makes a Disney Cruise so special .. Whether it's a cozy retreat or an extravagant suite, staterooms are designed with your family in mind—boasting innovative comforts and modern features you won't find elsewhere.

Staterooms include extra space and storage, sitting area, and split bath to allow multiple people to get ready at the same time

Unlike Disney World, when you book a Disney Cruise there are a lot of inclusions for you and the family to enjoy including:

- Many different dining choices from gourmet meals, 24-hour room service, to buffets and casual dining.
- SO MANY opportunities for the kids, with their own kids clubs where they are cared for by specially trained Disney counselors who facilitate activities from early in the morning until late at night! The Disney Kids Clubs are available for ages 3-17 & It's A Small World Infant Care (fees apply) for 6 months-3 years!
- Adults need not feel left out, there are exclusive spaces and activities waiting for you. An adult only relaxing pool, state-of-the-art fitness center and entertainment in the adult only night-time district with live music and variety performers
- Wide a range of entertainment from exciting deck parties with fireworks to exclusive Broadway-caliber production shows in the Walt Disney Theater.
- Caribbean and Bahamian cruises include Pirate Night with a themed dinner, deck party and a fireworks spectacular at sea.
- Disney Castaway Cay, a private island paradise created just for Disney Cruise Line Guests with areas for all ages including a secluded adult-only beach, hang-outs for kids and teens and a large family beach. Plus, everything you need such as beach chairs, umbrellas and a buffet lunch are included

When you set sail with Disney, you'll experience an unforgettable vacation that boasts fun and leisure for each and every member of the family so, that no one ever has to compromise. Whether it's relaxing "me time" for adults, imaginative activities for the kids or thrilling entertainment for the whole family, a Disney cruise invites everyone to enjoy their favorites—and share in the magic together.

Disney's signature service, attention to detail and rich storytelling are some of the reasons why Disney cruises are voted among the best at sea.

Dates are now available to book your cabin for Bahamas & Caribbean itineraries thru mid-May 2021. As well as Europe & Alaska Itineraries thru September 2020!

Here is a little tip, the earlier you reserve your room on Disney Cruise Line, the better the pricing and choice of cabin availability!
