

Dear Valued Royal Sponsor,

On behalf of **The 850 Kings**, a 501c3 nonprofit organization dedicated to empowering young men ages 10-18, we are reaching out to invite you to become a valued sponsor of our mentorship program. Our mission focuses on developing well-rounded, community-minded individuals through four essential pillars: athletics, community service, success after high school, and financial literacy.

Through the unifying and motivating power of athletics, we engage young men and guide them on a path toward personal and academic success. Our program not only includes athletics, but also educational workshops, college tours, and community service projects to instill values of leadership, responsibility, and ambition. With your sponsorship, we are able to expose our participants to various cities, broadening their perspectives and inspiring them to pursue goals beyond their immediate surroundings. For some of these young men, our trips are the first time they have been out of state or even out of the local area. These experiences are instrumental in showing them firsthand what opportunities await after high school.

As a sponsor, your support would play a critical role in enhancing the experiences we offer. Contributions would help us cover costs for workshops, registration fees, travel expenses, and program resources, allowing us to expand our reach and deepen our impact. We offer various sponsorship levels, each providing unique benefits and recognition opportunities. Many of our participants do not have the means to participate in our program without financial assistance. Your investment would directly support our young participants' journeys toward brighter, more promising futures.

Why Partner with Us?

1. **Local Impact:** Your sponsorship directly benefits young men in our community, creating lasting positive change.
2. **Brand Exposure:** As a sponsor, your brand will gain visibility at our events, in our program materials, and across our online platforms.
3. **Community Alignment:** Associating with **The 850 Kings** aligns your brand with values of integrity, commitment, and community development.

We would be thrilled to discuss how we can tailor a partnership that aligns with your values and goals. Enclosed, please find our sponsorship levels and the benefits each tier offers. If you have any questions, feel free to reach out to us at admin@the850kings.com. We would be honored to have you join us in making a difference.
