

# The Kingdom of God Part 6

By: Pastor David Rodriguez

## Expanding the Kingdom

The kingdom of God is designed to expand on earth  
(Matt. 13:31-33).

The kingdom of God is designed to expand forever  
(Isaiah 9:6-7).

Obtaining the kingdom is worth any sacrifice  
(Matt. 13:44-46).

The kingdom is expanded through evangelism  
(Acts 8:12).

The kingdom is expanded through discipleship  
(Acts 19:8-9).

Evangelism expands the kingdom numerically  
(Acts 2:47).

Discipleship expands the kingdom personally  
(Josh 8:31-32; Luke 17:21)

Evangelism brings people into the kingdom.

Discipleship brings the kingdom into people.

The kingdom of God is expanded at the expense of Satan's kingdom (Col. 1:13).

The ministry of deliverance is the point at which the two kingdoms clash (Luke 11:20).

We can't always tell who is in the kingdom and who is not (Matt. 13: 24-30).

Our duty is to help build the kingdom of God (1 Cor. 3:9).

We are each responsible to do our part (Matt. 25:14-30).
