

# Youth Action & Connection: Mentor Program

- **The Youth Action & Connection program is recruiting high school students to be Mentors to younger peers!**
- **Mentors would not only gain leadership experience, but would also develop their own skills through learned experience and guidance.**
- **Students wanting to: earn volunteer hours, gain experience in planning and coordinating, and enjoy amazing events can find more information by following the QR Code below.**

**For any questions please contact:
