EASY AS 1, 2, 3

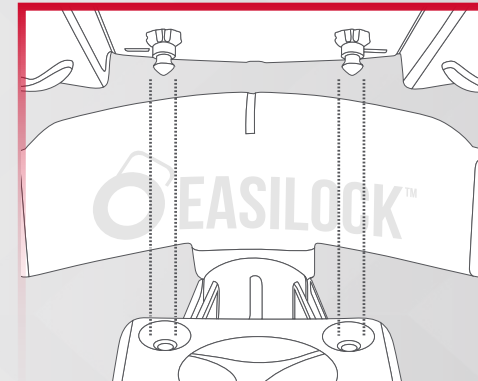

Available on Motocaddy carts and bags, the exclusive EASILOCK® system locks the bag on to the caddy and removes the need for a lower bag support strap.

Two holes on the caddy's lower bag support align with two removable pins on the base of the bag; ensuring golfers can secure their bag easier and quicker than ever before.

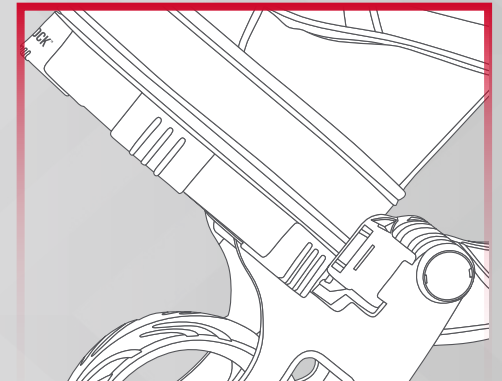

1

Insert pins into the bag base

2

Place the bag onto the caddy

3

Hit the course in record time!
