

GIFT BOX INSPIRATION

— Winter | Spring 2021 —

We are Buttoned Up

We take a personalized approach with all of our clients, and pride ourselves in finding the unique promotional items that fit your goals.

Whether you're sending gift boxes to your top fifty clients or to your remote workforce of thousands, Buttoned Up prides ourselves in making the corporate gifting process pain-free.

Surprise & Delight

The items on the following pages are meant to serve as inspiration, and represent a small example of the types of products that Buttoned Up can source for your company. They include a combination of items that can potentially be branded with your logo.

If you like these items, we will finalize pricing based on your direction (quantity, branding, timeline, etc).

Additional Products & Custom Gift Boxes

Have something different in mind or want to create a fully branded gift? Let us know and we'll assemble a unique proposal specific for your team.

FAQ

Is there a minimum?

Our gift boxes typically start with a minimum order of 50, but depending on what you are looking for we may be able to lower the minimum.

Can Buttoned Up create branded gifts?

Yes! Our team can source custom branded items with your logo that fit the gift box theme and your budget.

What if I love a theme but want to switch out some items?

Our team specializes in creating custom boxes for our corporate clients so we're happy to work with you to find alternative items based on your vision.

Can you create a gift box for our corporate event/marketing initiative, etc?

Absolutely! we'd love to hear what you have planned. From there our team can brainstorm ideas that fit your brand goals.

Can you include custom collateral?

Definitely, you can send us your marketing or promotional items to include in the gift box. If you need our team to design &/or print materials for you, additional costs will apply.

Do you handle shipping?

Yes, the Buttoned Up team will coordinate the assembly and shipping of the gift boxes to your recipients.
