VISION ART FAIR

ABOUT US

ART EXPO ALGARVE was founded in 2019 by a group of gallery owners and curators in order to respond to the need for a large-scale contemporary art fair in Portugal and the South of Spain.

In 2023, the project was expanded to new locations and created three new art fairs. VISION ART FAIR LISBON, VISION ART FAIR MARBELLA, and VISION ART FAIR SILVES.

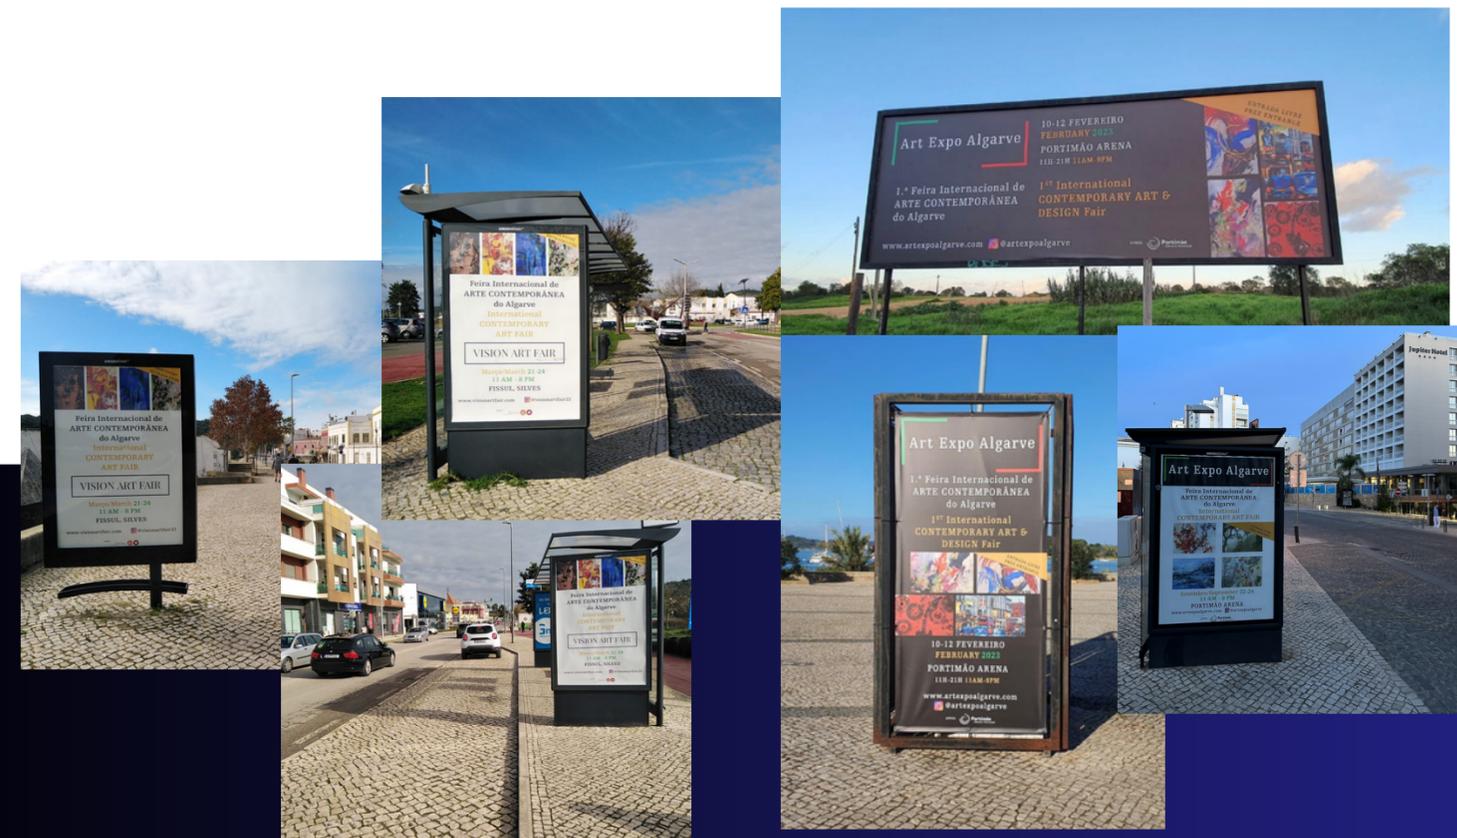

Our mission is make art accessible to all.

Our events are for established and emerging artists, galleries, and art collectives to exhibit and sell high-quality artworks directly to the public.
