

January PRAYER

Dear Heavenly Father,

on behalf of everyone under the sound of my voice, we praise You, worship You, and adore You for all You have done for us in 2023. We are grateful and receive Your grace, mercy, and goodness. We magnify Your name for the protection and cover You allotted to us in 2023. We know we have been fully dependent and reliant upon You for our needs, and You have been faithful to supply our every need.

Lord, as we enter into 2024, we want to ask for clean hearts and steadfast spirits. "Create in me a clean heart, O God, and renew a right and steadfast spirit within me" (Psalm 51:10). Continually renewed minds that are strong enough to cast down every thought that comes against what You say about us and our situations. We want to step into the dominion and power You have given us as heirs of Christ. "I can do all things [which He has called me to do] through Him who strengthens and empowers me" (Philippians 4:13). Remind us daily that we have power over the enemy. "Do not fear [anything], for I am with you; Do not be afraid, for I am your God. I will strengthen you" (Isaiah 41:10). He cannot stop us or hinder us from the plans and purpose You have for our lives because the words You speak will not return unto You void.

Lord, going into 2024, we ask that You reverse, rebuke, and remove any curses that ourselves, others or the enemy have spoken against us. We call for any attacks, plots, ploys, schemes, or confusion to be scattered and never return. We ask for Your continued covering, as anything that is not of You is loosed from our lives, bound from ever returning, and cast away.

We thank You for empowering us in a new way as we walk into 2024 to accomplish all You have for us. May the woman under the sound of my voice be so clear in 2024 as to what her inheritance in You is, that she begins to see tangible change in her life because she has stepped into the authority, blessings, and gifts You have allotted to her without doubt, fear, or regret.

May she walk believing fully that she can “Trust in and rely confidently on the Lord with all your heart and do not rely on your insight or understanding? In all your ways know and acknowledge and recognize Him, and He will make your paths straight and smooth [removing obstacles that block your way]" (Proverbs 3:5-6). May her confidence grow in the fact that You are her God, the Lord of her life, the Master of her needs—El Roi, Jehovah Jireh, Jehovah Nissi, and always will be as long as she may live.

Lord, I speak life into anything You wish to revive within her for 2024. If she was hurt, betrayed, or has walls up, I pray You to soften and restore it better than it was before she felt pain. If she is suffering from a broken heart, I pray You mend those pieces and be near to her as we enter 2024, making her able to love again in a full, whole, healed way. If she suffers in trusting You, others, or herself, I pray that trust issues will no longer follow her in her relationships.

If she is struggling financially, Father, if it is affecting her peace in any way, I pray You heal her mentally and emotionally when it comes to finances. Help her to gain the resources and knowledge she needs to lay hold of the power You have given us to generate wealth, for her to remain confident that You are the God that provides for us, that You see her and will never forsake her in her time of need.

May we hold tightly to your Word that says "And my God will liberally supply (fill to the full) your every need according to His riches in glory in Christ Jesus" (Philippians 4:19). I pray in 2024 You heal her of anything holding her back from laying claim to the financial blessing You have for her. "The Lord will open to you His good treasury, the heavens, to give the rain of your land in its season and to bless all the work of your hands; and you shall lend to many nations, but you shall not borrow" (Deuteronomy 28:12). I rebuke every financial stronghold and bondage from generational curses or trauma or from her past. I pray she seeks out the wisdom she needs to manage her money in the way You are pleased with.

Father God, for anyone who is struggling in their bodies and minds with any disease, infirmity, disability, or illness, I speak healing into her life right now in the name of Jesus. By Your stripes, we are healed. "And Jesus went about all Galilee, teaching in their synagogues, preaching the gospel of the kingdom, and healing all kinds of sickness and all kinds of disease among the people" (Matthew 4:23).

Equip her with the faith needed, like the woman who touched the hem of Your garment, to set her free and heal her of anything not in Your Will for her life. We agree tonight for any healing You want to do as we enter 2024. "Confess to one another, therefore, your faults (your slips, your false steps, your offenses, your sins) and pray [also] for one another, that you may be healed and restored [to a spiritual tone of mind and heart]" (James 5:16).

We ask, Lord, that You remain close to us and give us the heart that wants to remain close to You. May we remain in the posture of James 4:8. "Draw near to God and He will draw near to you" (James 4:8). I pray that we all have increased discipline, self-control, discernment, faith, clarity, wisdom, power, peace, joy, and confidence in You as the year begins to unfold.

Teach us what You need to teach us, lead us in the way You want us to go, help us to be sensitive to Your every move, and discerning of what is from You and what is not. Lord, we will not have another year of broken promises to ourselves, seeing no change, not taking hold of what it is You have for us. "For I am the Lord your God who takes hold of your right hand and says to you, Do not fear; I will help you" (Isaiah 41:13). We will not have a lukewarm or half-effort relationship with You anymore, Lord.

So, for every woman desiring to grow deeper and closer to You, I pray that You meet her where she is. Touch her in a way at the top of this year that leads her closer to You each day this year. "But seek first the kingdom of God and His righteousness, and all these things shall be added to you" (Matthew 6:33). Give us a vision for 2024, Lord, and give us the faith to follow it. You are mighty and good, and we pray that we continue to be aware of it throughout the new year.

Lastly, Father God, I submit to you the lost souls of this world. Those who may not know you or need to be connected to you. May we be examples of Your Light and Love for everyone we come across. Lord help us to walk into 2024 to see people as your beloved creations. May we be used by you to impact the world for your will and in your Kingdom. May those we come across who need to hear from you always be met by the words you wish to speak. May we have hearts that can love the way you love and mouths that only speak love into ourselves and others.

As 2024 begins, May we begin to nurture the seed and desire you have placed in us to walk into the purpose you have created us for. May we be without distraction and consistently seeking your face earnestly. No matter what comes our way, I pray you remain the center of our lives, the source of our joy, and the one we look to for direction. All of this in your name Jesus We Pray, Amen and Amen.
