

Tattoo Policies and Procedures
Irieized Tattoo & Fine Arts
2026

How to Book:

Contact me directly to book a tattoo appointment. I may be reached at the following methods:

- Phone - Call/text 541-841-0302
- Instagram - @irieizedtattoo
- My Website - Irieized.com

Quickest response via phone. **A consultation via phone or in person is required to book with me.**

To prepare for consultation:

- Have a general idea in mind with pictures or examples.
- Designate a general amount you would like to spend on the tattoo piece

Booking Options:

For 2026 I have **3 types of sessions available**. I will quote you your tattoo price, needed session type, and estimated number of needed sessions during our consultation.

1. **Small flat rate** - best for small to medium tattoos. These are in the range of \$100-500.
Exact price quote is given for this type during consultation.

Ex:

2. **Half Day** - Best for tattoos over 4x6in or ones with a lot of detail. 4-5 hours of tattooing time within one session for \$600 flat rate.

Ex:

3. **Full Day** - Best for tattoos over a larger area of the body. For very detailed and expansive pieces. 8-10 hours of tattooing time for \$1000 in one session.

Ex:

Important information:

In case of session non-completion for reasons including tap out, medical/family emergencies etc, I will discount the session \$75 per hour that is missed from the minimum hourly amount set in the half day and full day sessions.

Ex: Tapping out at 6hrs of tattooing from a full day session would be 2hrs lost to meet the full day amount, which would result in a \$150 discount. For small flat rate sessions the discount for tapout/emergencies would be on a case by case basis.

A new session would need to be booked to complete the tattoo.

I don't charge for breaks, we can always stop for restroom use, smoke breaks, food or drink, etc and I will pause our time.

In general I retain the right to evaluate pricing on a case by case basis, and/or refuse service if I deem necessary.

Feel free to contact me with any questions.
