Important Notes about the Wasatch Education Foundation Scholarship Program:

Checks will be distributed once college registration and proof of enrollment is complete. Foundation checks are made jointly in the student's name and the name of the *accredited* school or trade program they are attending and can be used for any eligible school-related expense including tuition, housing and fees.

Scholarship checks not picked up by **September 27, 2021** will revert to the Wasatch Education Foundation Scholarship Fund, unless a **request for deferral** is made in writing, due to military service, a religious mission, or other reason for which a deferral is necessary. The Foundation will consider the request based on the donor's criteria and the administrative and funding requirements of the Foundation. Deferral requests must be received no later than September 24, 2021.
