429 Dean Creek Lane

Orlando, FL 32825

Cell: 321.624.5734

Email: Charlie@BrotherEntertainment.com

Website: www.bells2Go.com

POWER REQUIREMENTS:

1-20 amp circuit for sound equipment & lights

SOUND EQUIPMENT:

Self contained up to 500 person local presentation

CARILLON SPECIFICATIONS:

Weight: 8,400 pounds

Dimensions: 8' wide x 9' high x 21' long (35 with truck)

The traveling carillon consists of 35 cast bronze bells. The bells are mounted on a custom frame and trailer weighing. This is the portable stage that will be skirted before presentation.

TRUCK SPECIFICATIONS:

Standard Heavy Duty PickupTruck 250 series

PERFORMANCE SPECIFICATIONS:

Space Requirements: 40' long x 20 feet wide

A stage is NOT required for a solo performance. For solo performances space is required for the carillon and speakers that are placed at either end of the carillon. The area should also be large enough for the audience. Seating or temporary seating is ideal, but not necessary if listeners can sit on the grass or meander nearby.. The carillon is an acoustic instrument and rather loud, therefore it cannot be turned down, nor can the music that accompanies the carillon, both have to be at the same volume for musical integrity. For this reason, it is recommended that the carillon not be placed too close to vendors or other musical artists, furthermore that performances not overlap with other musical artists that are performing nearby.

IMPORTANT THINGS NEEDED FOR ANY PERFORMANCE from “Bells2Go”:

- ~ physical address searchable via google maps
- ~ day of contact information and contact person for load-in.
(load-in will require the assistance of at least one stage hand to assist with sound gear)
- ~ electricity is needed for the show and should be at the show location before arrival.
- ~ a physical barrier, stanchion, or staging around the carillon to not be accessible by touch
(imagine you are placing a Gibson Les Paul out for showcase)

HOSPITALITY Requests:

- ~ Hotel night before performance (load in) and the evening of performance (when applicable)
- ~ 4 bottles of water
- ~ 4 diet sodas
- ~ 4 sugar free Red Bull
- ~ Warm meal 2 hours before show (when applicable)
- ~ 2 black towels
