

## How to Teach Your Child About Money

With schools closed and children across the UK at home, parents are having to support their children's learning and education at home. This gives parents the opportunity to teach everyday life skills which are not typically taught at school.

**Earn pocket money from chores around the house.**

**Play 'shopkeeper' to help understand the value of money.**

**Set savings goals to buy a new toy or game.**

**Talk to them about any accounts they may hold such as Junior ISA's.**

**Speak to other family members about money.**

**It's never too early to start planning for the future. A financial lesson could be the most valuable one taught. [Read the full article here](#)**
