

Marina Village Residents

As a convenience for the residents, the recycle bins will be located back inside the garage.

As a reminder, please break down all cardboard boxes before placing them in the recycling containers. If the recycling containers are full, please discard the boxes in the trash dumpster.

THE FOLLOWING ITEMS CANNOT BE RECYCLED...

Plastic bags, straws, thin plastic containers such as strawberry containers, styrofoam, pizza boxes, drinking glasses, ceramics, rope, hangers, paper towels, and prescription bottles.

Please dispose of these items in the trash.

**ALSO DO NOT BAG ANY RECYCLABLES BEFORE PLACING
THEM IN THE BIN.**

Please do not leave boxes and/or other recycling or trash items outside of the recycling containers and/or dumpster.

Please do not throw trash out between 7:00 am -5:00 pm on Tuesday and Friday as the trash chutes are locked to empty the dumpsters.

Thank you for you cooperation.
