

# Marina Village Documents Committee Charter 2026

Mission Statement	
<b>MV Documents Committee:</b>	The Documents committee has been formed to review Marina Village Documents and Rules & Regulations and make recommendations to the Board of Directors on any items that they feel need to be addressed.
Objectives	
<b>Committee Objective</b>	To look for conflicts in original documents as well as Rules and Regulations and amendments thru the years.
Roles, Responsibilities, and Scope	
<b>In Scope:</b>	The Documents committee will make recommendations to the Board of Directors on improvements they feel would best suit the community. Expectations are that the committee will provide, in writing, the details of the changes they are proposing. If this is not provided, the Board cannot vote on how to move forward. The Board is under no obligation to accept or move forward with recommendations made by the Committee.
<b>Out-of-Scope:</b>	Documents committee shall not implement any changes or discuss with others that changes are coming. Determining where the funding will come from is out of scope for this committee.
<b>Authorized by:</b>	Marina Village Board of Directors
Team	
<b>Appointed Board Liaison:</b>	Avery Hardy
<b>Team Members:</b>	Les Marquart, Robin Trenchard, & Lance Pelter
<b>Management Review Team:</b>	Marina Village Board of Directors
Decision Making	
	The Documents committee does not make decisions, they provide options to the Board. This committee does not have the authority to act for or bind the association in any way.
Oversight of Implementation	
	A board appointed designee will have oversight over implementation of any improvements approved by the Board.
Budget	
	There is no budget for this committee but would fall under legal if needed
Committee Member Agreement	
	By accepting participation on this committee, the committee member agrees to the charter and will conduct themselves in a professional manner. Failure to do so, may result in removal from the committee.
