

RELEASE OF LIABILITY FORM

During the course of the school year, A Child's First Steps Preschool will be taking several class field trips. Transportation needs to be provided by your family or parent volunteers. Students will be supervised at all times. However, the school assumes no liability beyond that of reasonable caution and care in conducting the transportation of preschool students to and from field trips. Below is a form granting permission for your child to be transported to and from these special learning experiences with release of liability to both the parent volunteers, and A Child's First Steps Preschool, and families.
