Prices are based upon event length and are valid for events of 200 guests or less. Larger events and events in excess of 4 hours would incur additional charges. When a wedding ceremony and reception are at the same venue, the wedding ceremony is included in the event time.

### ***Bartending Services***

Our Bartending Service includes the portable bar, bartender, bartending tools, drink straws and cocktail napkins. The customer is responsible for **providing the alcohol** and fruit garnishes. Alcohol can be received the day before and will be placed in a walk in cooler to chill. One bartender can serve approximately 75 people. All prices include set up and clean up. The bartender will arrive one hour before your event to set up the bar and stay afterwards to clean up. We can serve beer, wine, Champagne and Margaritas.

A security officer may be deemed appropriate and if so then there would be an additional charge.

### ***Cash Bar***

Non-profit organizations that request to have a cash bar will need to purchase a Special Events Liquor License from the Able Commission. This license will need to be presented to staff one week prior to the event.

### ***Event Policies***

2. Bartenders reserve the right to refuse service to anyone regardless of reason.
3. All alcohol service must end before midnight.
4. Open bottles of beer, wine or Champagne will be discarded at the end of the night. Unopened cartons will be gathered for transportation away from the event.
