

AGM – MUWSC 14th June 2025

DH opened meeting and thanked those in attendance for giving their time.

MH asked if the minutes from the previous AGM were approved. All agreed.

MH moved onto the voting of the Board. No one other than those currently in post stood, and so all continue in role – Deborah Henry (DH) as Chair, Chloe Beadle (CB) as Vice Chair, Shane Higgs (SH) and Treasurer and Marc Henry (MH) as Secretary.

MH explained that the voting for the committee was the next item. From the previous committee, Torun and Tristan have chosen not to re-stand. Both were publicly thanked for their time and efforts.

Esme, John and Ramu gained enough votes to remain on committee. Rachel and Susie have also joined the committee. New committee members were welcomed on board.

Cass Hyde remained on the committee in their role as Special Advisor.

SH introduced the Treasurer's report, which had previously been sent out with the AGM email.

- Income for the last year was £3,700. Expenditure was £2,100. (Detailed costs can be found in the full report.)

- Bank account now carries a charge.

- SH invited questions either immediately or after the meeting. No questions were asked in the meeting.

MH introduced DH for the Chair's report

- DH mentioned that Zoe Williams has been helping with some ticketing matters pertaining to accessibility. Zoe has been invited onto the committee as a Special Advisor.

- DH mentioned some of the 'wins' from this year, including flag wavers at OT, young members asking Maya questions at a press conference, reaching 1,000 members, a mascot at Wembley and the support given to fans around the Chelsea away rescheduling.

- DH admitted that a lot of what goes on in the committee won't be visible due to sensitivities but thanked everyone for their ongoing support and that it humbles her that people allow her to represent them.

MH opened Plus membership renewals for the next season. Emails to follow with details to all members.

MH introduced the question section of the meeting. There were no questions pre-submitted or asked on the day.

MH closed the meeting.
