FOR IMMEDIATE RELEASE

Mint Global Logistics Expands West Coast Presence in San Francisco, Los Angeles, and Seattle Under Leadership of Industry Veteran Jean Aquino

Jacksonville, FL – May 14, 2026 – Mint Global Logistics, a premium provider of global transportation and customs house brokerage services, today announced the expansion of its West Coast presence with the opening of new markets including San Francisco, Los Angeles, and Seattle. The move strengthens the company’s ability to deliver seamless, tailored supply chain solutions to clients in one of the world’s most dynamic trade corridors.

The West Coast operations will be led by **Jean Aquino**, a logistics professional with more than 21 years of hands-on experience in the industry. **Aquino** brings deep expertise in freight forwarding, international logistics, supply chain optimization, and time-critical shipments, positioning Mint Global Logistics to meet the growing demand for flexible and efficient services along the Pacific coast.

“Expanding our strategic West Coast presence is a major milestone for Mint Global Logistics,” said **Thomas Gilgen**, Founder of Mint Global Logistics. “With **Jean Aquino** at the helm, we are bringing proven leadership and a customer-first approach to a region critical for global trade. Her extensive background ensures we can deliver the innovative, adaptable solutions our clients expect.”

Aquino expressed enthusiasm for the new role: “I am thrilled to lead Mint Global Logistics’ expansion into San Francisco, Los Angeles, and Seattle. With over two decades in logistics, I’ve seen firsthand how personalized service and operational excellence drive success in today’s fast-paced supply chains. Our team is ready to provide West Coast businesses with reliable freight forwarding, customs brokerage, project logistics, and more- always in **mint** condition.”

About Mint Global Logistics

Mint Global Logistics is a next-generation logistics firm founded in 2025 by industry veteran **Thomas Gilgen** and headquartered in Jacksonville, Florida. The company specializes in freight forwarding, customs house brokerage, project logistics, ocean freight, air freight, trucking, warehousing, and time-critical shipments.
