Project Management

Lead Magnet Funnel with Upsell

Project Goal: To create a lead magnet funnel with a free guide to attract leads and upsell a \$37 mini-course, increasing lead generation and automating sales.

My Role: Developed the funnel structure, designed landing and thank-you pages, and set up email automation for a seamless customer experience.

Results & Highlights: Showcased expertise in funnel creation with an optimized lead capture process and a clear upsell strategy.

Team Management

Hire a New Virtual Assistant

Project Goal: To streamline the hiring process and onboard a new virtual assistant for my team, ensuring a perfect fit for the company's needs.

My Role: Managed the entire hiring process, including creating a job brief, crafting the job description, posting on relevant platforms, screening applicants, conducting interviews, and designing a paid trial task for final candidates.

Results & Highlights: Demonstrated expertise in recruitment by developing an efficient hiring strategy, ensuring alignment with company goals, and selecting a top-performing candidate.

Systems Management

Create CRM System

Project Goal: To design and implement a CRM system with seamless automations to streamline client onboarding, offboarding, and task management.

My Role: Built a custom CRM in Airtable, including onboarding and offboarding workflows, and integrated Zapier automations to connect tools and eliminate manual processes.

Results & Highlights: Showcased expertise in systems management by creating an efficient and user-friendly CRM, automating repetitive tasks, and saving significant time for future operations

Packages & Services

Stage One: Starting Out

Kickstart Strategy Session

Starting at \$600 | One-time setup package

Get started with confidence!

In this two-hour session, we'll map out a personalized 90-day roadmap to help you focus on the right priorities from day one.

What's Included:

- A 2-hour strategy session via Zoom.
- A personalized 90-day action plan to help you focus on your goals within 48 hours after our session.
- Expert guidance to help you organize tasks, set priorities, and tackle what's most important.

Foundations and Systems Starter

Starting at \$800 | One-time setup package

Let's build the foundation your business needs!

From setting up tools and workflows to creating a simple website, I'll help you get organized and ready to grow.

What's Included:

- Workflow and tool setup (e.g., project management systems, email platforms, client onboarding).
- Optional: Simple website setup, tailored to your needs (e.g., GoDaddy or Squarespace).
- Personalized recommendations for tools and resources to streamline your operations.

Packages & Services

Stage Two: Gaining Momentum

Social Media Starter Package

Starting at \$600 | One-time setup + guidance session

Start connecting with your audience without the overwhelm!

I'll help you create a simple social media strategy and design your first branded posts.

What's Included:

- A tailored social media strategy to help you connect with your audience.
- Custom Canva templates for branded posts you can use and reuse.
- Profile setup or optimization for up to 2 platforms (e.g., Instagram, Facebook, or LinkedIn).

Ongoing Business Support

Starting at \$2000/month

Consistent guidance to keep your business moving forward.

I'll support you with strategy, systems, and social media while you focus on growing.

What's Included:

- Monthly 1:1 strategy sessions to map out goals, review progress, and set priorities.
- Ongoing support with organizing workflows, managing tools, and refining systems.
- Social media guidance and planning, including strategy adjustments and content ideas.
- Up to 16 hrs per month
