

On behalf of the Dussich Dance Studio Faculty and Staff, we would like to welcome you to our **2018 – 2019 Season**. Our studio emphasizes the basic foundations of dance by providing proper training while promoting an enjoyable experience for ALL students. Those dancers who wish to pursue a dance career will find the training to achieve their goal and those who are studying for other reasons will reap the many benefits dance provides. Our studio strives to maintain high moral standards both in their dance attire and the types of music used in classes and in their routines. Our studio is always open for you to come in and watch classes and talk to our teachers.

Dussich offers competition opportunities with our Junior and Senior competition classes. Both teams attend many competitions during the year, some to include FDM, NRG, Starbound and more. Students can also audition to be members of the Imperial Dance Corps, which is Dussich's production group that puts on an annual "Sharing Through Dance" Benefit Show.

## **Studio Need to Know**

**CLASS PLACEMENT:** All dancers are on a trial period for the first six weeks of classes. Teachers will evaluate each dancer to see if he/she is in the proper level for their dancing ability. If the dancer is better suited in another class, we will let you know which class is suitable for them. All dancers are placed according to ability; this is for their safety, progress and benefit.

**CONDUCT:** Dussich Dance Studio reserves the right to dismiss any dancer whose attitude or conduct is unsatisfactory; this also applies to parental behavior. If you have any problems or complaints regarding your dancer's class, please see the front desk to set up an appointment to discuss it with the teacher. You can also email us at [dussichdancestudio@gmail.com](mailto:dussichdancestudio@gmail.com)

**ANNOUNCEMENTS:** Announcements will be made monthly and posted on our studio website, [www.Dussich.com](http://www.Dussich.com) as well as on our social media channels.

**ACCOUNTS: *THERE ARE NO REFUNDS FOR CLASSES MISSED*;** missed classes can be made up in a comparable class. All accounts must be paid within the month due or a **\$15.00 late fee** will be added to the balance. There will be a **\$20.00 charge for returned checks**. If Paying By Charge, there will be an additional fee. Semester payments receive a 10% discount (August thru January & February thru recital) and Family Discounts will be applied at the Front Desk.

**ATTENDANCE:** Proper warm up is very important, missing the warm up can lead to injuries, which is why we ask that all dancers be on time to class. If you are more than 15 minutes late, the teacher may not permit you to take class. If you are unable to attend class, please call and notify the studio. If a dancer misses 6 or more consecutive classes, they may be dropped from the class. All dancers must attend classes on a regular basis once recital routines start begin; if a dancer misses too many classes they may not be allowed to perform in the recital.
