# DANCERS' Reminders

Please try to be on time and ready for class. Proper dancewear, hair up and secured. Teachers will review the Dress Code & Appearance for each class. You may also check the Dress Code on the website ([www.dussich.com](http://www.dussich.com)) or on the bulletin board in lobby. All students must follow dress code; there are NO exceptions.

Each class will be dismissed 5 minutes prior to the stated end time. Please be on time picking up the children.

Students arriving more than 10 minutes late may be asked to watch the class (*At the teachers' discretion*), as well as, any student disrupting a class will be asked to sit it out.

Please use the designated dressing rooms to change and not the hallway bathroom, as it needs to remain available. Check for ALL belongings before & after class; the studio will not be responsible for anything left in the dressing room or classrooms.

Please be sure to check the window ledges, as well as the rest of the classroom before you leave each class and take your water bottles with you. We have noticed several bottles being left daily; we do collect the bottles we find and place them in lost and found but we are not responsible for them.

Remember that there is no cell phone use allowed in the classroom. Please respect your teachers and do not pull out your cell phone during class to check messages.

## OUR PHILOSOPHY

For students to learn that dance is fun as well as rewarding. We believe in developing "THE WHOLE DANCER" with not only our curriculum, but also in our guidance in health, nutrition and performance techniques.

## OUR PASSION

Dance is a healthy and happy pastime that is our passion, which is why we do what we do. The rewards from dance can last a lifetime! Our classes are structured to teach the very young as well as the young at heart. The limitations are few but the benefits are many!
