

Tarkington Athletic Department

Consent of Private Travel

Although we would prefer your student-athlete be at the contest to support his teammates during their contest and to travel with the team when possible, we understand that circumstances arise that make this an inconvenience.

Please excuse my student-athlete from traveling back with the team. I will be picking up my student-athlete from the contest and he will be traveling with his parent or guardian. I am fully responsible for returning all school issued equipment the next scheduled day of school.
