New Year, Second Chances, and Miracles

Dave and his thumb that the Lord healed.

*Therefore, if anyone is in Christ, he is a new creation; old things have passed away; behold, all things have become new.
2 Corinthians 5:17*

As we enter the New Year, we are very mindful of God's second chances and miracles. It's always wonderful to turn the page of a new year as if that date has the power, in and of itself, to change things. But, God gives us second chances and miracles every day if we pray and believe!

Dave had a severe infection in his thumb and was scheduled to have it amputated. He went in, but the surgery was cancelled at the last minute. God had already healed him after we prayed and believed! On another occasion Dave was hospitalized with very

high blood sugar and he had ketoacidosis from the infection in his thumb. A second amputation was scheduled and cancelled thanks to God's miraculous touch. Hallelujah!

Sometimes God gives us second, third, even twentieth chances because of His never-ending love for us. Isaiah 53:5 is a verse we can stand on for healing because God is no respecter of persons. His Word is true for all who believe.

May your New Year be filled with God's second chances, and miracles!

New Year Full of Promise

fear and uncertainty and overcome it.

When you bless TGRM guests with Christ's love through meals, sharing the gospel, or Mission upkeep,

Christmas is over, and the New Year is here. Lights, tinsel, garland, and other sundry decorations are stored away until next Christmas. Many of us cast our eyes on the future and look forward to a new year full of promise. However, for those trapped in a cycle of homelessness, the new year means more uncertainty and fear. Yet at TGRM, together with the help of volunteers, we speak to

you give them hope for the future and dispel fear. Volunteers carry the Light of Christ here in the Mission and are integral to the success of the work here.

If you would like to volunteer your time, treasure, or talent to bring the hope of Christ to the homeless, please give us a call. We would love to talk with you. Thank you and God bless!

2018 Brings Hope to Rebekah's Haven

hosting a Sweetheart Dinner on February 10, 2018 at 6pm. I hope to see you all there! All proceeds will go toward the "Soles for Souls" campaign to cover the cost of remodeling on the

new facility. Have you all heard the GREAT news? The building permit for the new Rebekah's Haven has been approved. Without everyone who has sown into this ministry the ability to expand and help more ladies with their children would not be possible! The old has passed, we are moving on to a new beginning. It is so exciting!

The Rebekah's Haven Advisory Committee will be

By this time next year, with your help, Rebekah's Haven will be serving triple the amount of mothers and children who are in dire need of help! This means more names will come off the waiting list and they will be able to call Rebekah's Haven home as they get back on their feet and heal in the peace that only an Almighty God gives! Thank you all so much and God Bless you!

Bible Study Inspiring Other Ministries

This is a picture of the Outreach Center's 8th Annual Bible Study Christmas Potluck. Most of those who came try to attend every Tuesday, and it was a great

time of fellowship!

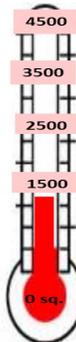

Right now, we are studying in 1 John and will continue to do so for the next two months. However, we aren't limiting ourselves to that timeframe, because

it's truly important to me is that everyone understands what we teach. In fact, it isn't uncommon in every Bible study that if there are questions on what we are

learning, we take the time to dig deeper and gain better understanding! One exciting thing that is happening is that other area pastors have been attending to see how we teach and answer questions, and then they take the knowledge they gain back to their congregation. Hallelujah!

If you've never attended the Bible study at the Outreach Center, I encourage you to come on a Tuesday night at 7pm and be blessed!

John

As Jacque mentioned, construction has begun! The goal is to complete this project as soon as possible so that mothers

and their children don't have to be turned away. Please, continue to pray & share the news of this special need. Also, please remember to state in your check or Paypal donation memo "Soles for Souls" so it applies correctly. Thank you so much for the love that you show to these homeless mothers and children.

God bless you!
