Did You Ever Wonder?

- Have you ever wondered how TGRM can...**
- Help people get their lives together & reunite marriages?
 - Lead people to a saving knowledge of Christ?
 - Help people secure employment & get a place to call home?
 - Help people start new lives even with emotional & mental health issues or after years of addiction?
 - Put moms & children in stable homes, maybe for the first time in their lives?
 - Help men, women, & children become active members of a local church?
 - Feed approximately 3000 meals per week?
 - Keep the truck running for pick-ups?
 - Or simply keep the lights & heat on at the various facilities?

IT'S YOU!

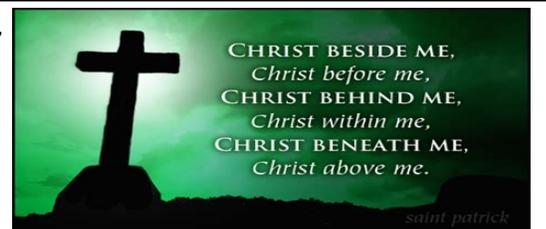

IT'S YOUR...

- Faithful financial giving that pays the bills so TGRM can provide safe, warm facilities for shelter & other ministry.
 - Gifts of clothing, food, furniture, etc., that allow TGRM the privilege of caring for their physical needs while here & as they move on.
 - Willingness to share in chapel services that affirm God's desire to have a relationship with them.
 - Prayer support that gives TGRM & its staff the strength to persevere through good times & bad.
- Thank you for your faithfulness to the ministry & the men, women, & children whose lives you are changing on a daily basis.

God Bless, *TOM*

God Moves In Bible Study!

The men in our transient volunteer program attend a small group bible study on a regular basis. One such group meets over a cup of coffee every Friday afternoon. A couple of weeks ago, I had the honor of watching these men break their hearts before God and seek him with tear

streaked faces. One particular man (name withheld for privacy), weeping, prayed to God and asked for Him to move in his life. In quiet sobs, he humbled himself before the Father. When you watch hard hearted men transform into humble hearted servants of the Lord, God touches your heart too. One of the most truly amazing events that you can witness here at the Mission is watching Jesus transform the lives of our guests. Thank you for coming along side us and giving of your time, treasure, & talent. Thank you for being a part of this transformative mission.

Mini-Mall Helping 5-points Area!

We're so blessed at the ORC to have great volunteers! Liz Davis volunteers at the Mini-Mall on Saturday's from noon-2pm. Her faithfulness ministers to the Five Points area through clothing giveaway & soft words that encourage those in need to respond to the love of Christ! No matter the weather, volunteers like Liz show up & help people! Recently, a single mother whose

daughter needed shoes came for help, so we dug through boxes until a pair was found in her size! Moments like these make all the difference & are possible because people like you give of your abundance & volunteer your time! We could use more hands, especially with Spring coming. Please come visit on a Saturday we'd love to meet you!

There's Hope & I Found It Here!!

Hi, my name is Alejandra Chapa, I'm 26 years old with 4 children. I come from a family of alcoholism and daily physical abuse. I came from New Mexico with nowhere to go. In fact, a family member gave me one day to find shelter. I'm thankful that when I called Rebekah's Haven

there was an opening. The short time that I have been here I've seen many mothers put on a waiting list. Growing up, I didn't know what it was like to have a loving family. Until I came to Rebekah's Haven, I didn't understand what a loving family was. Mrs. Jacque has been an inspiration from the day I met her. This is where I learned what it feels like to have a family. I've developed relationships with the ladies, the children, & most importantly with Jesus Christ. When I leave here I want to volunteer & help other women who are broken. I want to encourage them that there is still hope like the hope I've found at Rebekah's Haven. Thank you for all you've done for me!
