## Life In A Bin

Can you imagine the sum total of your life, all your worldly possessions, fitting in one plastic storage bin? The hopelessness of losing nearly everything they've ever had is evident on their faces when they enter Toledo Gospel Rescue Mission and put what remains in a bin designated for them. Due to the prayer & financial support from folks like you for 63 years, hope is restored to their hopeless situation every day.

Recently though, the finances have not kept up with the needs of the men, women, and children that come through the doors of TGRM. Could you please send your best possible gift this month and help spring them back to life and hope in Christ?

God Bless You As You Pray & Give,

Tom

## Mission Mall Offers More Than Stuff!!

I just wanted to thank the brothers & sisters in the Mission Mall area who help out by picking up stuff that falls off hangars as folks sort through to find what they need. However, many times it's *so much more* than that! People come in often just in need of prayer. When that happens, those same people who help out will come along side & help pray for those in need. It is encouraging to me when someone seeks out prayer & after receiving it, other people from the community offer supportive words & sometimes offer to help them meet their need! It not only helps those needing prayer feel supported,

but it blesses me & helps me remember why God placed the Mission here, & why he called me to serve. Christ is working in this community & you are a part of that every time you donate to TGRM!

## Help Me Help Them

After I retired I began to wonder what, if anything, I could do for the ministry. Then one day I felt a definite urge to share the Word with the moms at Rebekah's

Haven, which was definitely a step of faith for me. So I prayed, "Lord, please help me help them." He gave me a plan for a Bible Study that will guide them now, when

they leave, and throughout their lives - HALLELUJAH!! It's awesome to watch their faces light up when they realize just how much God loves them and wants to be a part of their lives.

You don't have to have a REV in front of your name to share God's Word. You just have to be a willing vessel for Him to work through. The moms at Rebekah's Haven need you to help them make a new life for themselves and their children. Please pray and ask the Lord to help you help them. Then, call 419-243-0403 to see where Jacque can fit you into the schedule.
