When Life Breaks

Recently, I saw someone struggling to shut off a sink valve. I stepped in, not realizing the strength I was using, and completely broke off the valve! A fury of water spouted out! Thank God, I had been taught what to do in a situation like that long ago or the building would have completely flooded!

Many times on the streets, men think they can handle the fury from hell that has been unleashed on their lives, only to discover they've never learned what to do when everything blows up. That's why God placed TGRM in their midst; to meet them in their mess, guide them onto the correct path

for their lives, and give them hope. This is accomplished when the Gospel is shared twice daily in chapel services.

If it were not for you rolling up your sleeves and sharing in these gospel services we would not be able to accomplish all that God sent us to do. Your constant prayer, volunteer, and financial support is crucial in the rescue of the men attending these services. The gospel is the key to their life-change. Thank you for making it possible.

Britnee's Story

Hello, my name is Brittnee Dile, & I'm 27 years old. I have 4 children & they're my world! Rebekah's Haven has taught me a lot of life lessons. My life began a downward spiral when I became a young mother at 19 years old.

I was in a very physically & verbally abusive relationship until a couple months

ago. I thought, "is this it, is this really *my* life?" I even moved to a different state to "start over," but I was only kidding myself, it was the same outcome; more heartache! In the last 5 years, I had to move to at least 5 different houses because of the problems I was experiencing! All I truly wanted was stability for my children, & I couldn't figure out how to achieve it.

When I moved back to Ohio, I was terrified! I had to not only start over, but I also didn't have a place to live. So, we "house hopped" for a whole month before I found Rebekah's Haven. Mrs. Jacque opened her heart & her hands & let us stay. The first night I thought was going to be horrible, because the thought of living in a shelter is scary, but it wasn't. In fact, it was more of a sigh of relief or like breathing in fresh air! My kids love it here!

Rebekah's Haven has given me more than I could ever ask for! They have taught me to love myself, which is something that I've never done before. My walk with God is new & I'm eager to learn more. I have met an awesome group of supportive & understanding women! I want to thank everyone who has helped with Rebekah's Haven. Without your help, families like mine wouldn't be able to get the help we need. Thank you!
