## Sowing Generously

The farmers out west of town are awesome to the Mission. They provide us with meat, vegetables, and just about anything else imaginable. They encourage the churches they attend to get together and support TGRM as well. They're just awesome, sincere folks!

In June, I was invited to "Breakfast On The Farm" where I spoke to the people that attended about the Mission and how "Breakfast On The Farm" helps feed those who come through the doors of the TGRM facilities on a daily basis. Not only did I get the opportunity to share about our partnership with "non-farmers" and encourage the farmers, I was also given all the leftovers: several pounds of pancake mix, several cases of sausage, butter, salt & pepper, yogurt, and ice cream to boot! These items

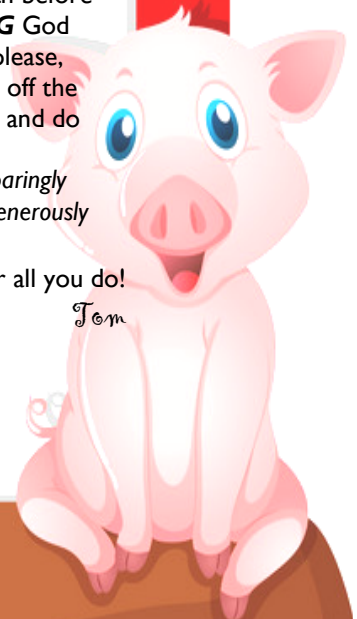

will go a long way to feeding people at the Mission. Breakfast is good any time of the day and they love it! I want to thank all the farmers and businesses that helped provide all the food items we picked up. What a blessing! Without your support, there would be thousands of people that go hungry. We appreciate all who give more than you could ever know.

Another thing we need to do is ask for your prayers for these farmers. Many have not been able to plant (sow) because of the excessive rain. Without planting there is no harvest and many farmers suffer, which in turn, causes others to suffer. It's the same at the Mission. If we don't sow the seed of the Gospel, there cannot be a harvest of souls. As a result of the people who come and sow the Word generously, I am excited to tell you that last month we had two new salvations and the month before we had seven. We believe we serve a **BIG** God who hears and answers our prayers. So please, join with me in prayer that God will hold off the rain long enough for the farmers to plant and do what is needed for a plentiful harvest.

2 Corinthians 9:6 says, "Whoever sows sparingly will also reap sparingly, and whoever sows generously will also reap generously."

Thanks again for all you do!

Tom

## Clothes For Graduation

June was a really busy month! There were a lot of young people who came into the Mission Mall looking for a nice outfit to wear to their high school graduation. Your gifts made a difference at a very important moment in their lives! I'd like to give a special thanks to the Mission Mall volunteers who helped them piece together nice outfits to wear on their special day! Several of them came back and

thanked us for the time and effort spent helping them. We were able to be a blessing, because of you, so thank you for helping us serve them.

God Bless,

*John*

## Outreach Honors Mini-Mall Volunteer

While a big part of what we do at the Outreach Center is feed the lost & lonely, we also serve those in need through a free clothing giveaway held on the same Saturdays as the Mission Mall here at the ORC Mini-Mall. This month's volunteer being recognized is Liz Davis! She has played a large part in making sure that this part of the ministry runs correctly ever since United Church of God (across the street) partnered to help us run it! Liz has faithfully served those who need help to find the perfect item, she's even lovingly referred to as "Grandma Liz" by

some of the youngsters that come here! Ms. Liz was an easy choice & we rewarded her with a decorated hanger to symbolize all the love she puts into serving those in need! Do you have a heart to serve? There is much work to be done through the Mini-Mall & we would love for you to help! Please call John if you wish to volunteer at 419-241-6579!

Thank you,  
*John & Terri*

## Fun In The Sun

As we move forward into the summer weather, Rebekah's Haven is seeking volunteers that would like to spend time with our mothers & children doing outdoor activities. In the past, individuals and churches have treated our families to Zoo trips, Mudhens games, picnics, nature walks in the park, and even just a fun day in Rebekah's Haven's yard hosting cookouts with outside games. We are open to any suggestions that you might come up with or enjoy yourself to help the kids enjoy the Summer weather. I know that our mothers would feel so blessed.

I would like to take this chance to also say "Thank You" to those that regularly volunteer and help to keep the doors open for Rebekah's Haven. You're so greatly appreciated, words simply cannot express how much of a blessing you are to us.

God Bless,  
*Jacque*
