October is harvest time for the farmers in our area. Some years the harvest is earlier, because the weather allowed them to plant early in the Spring. Sometimes the harvest is plentiful and sometimes sparse depending on the weather, soil, and the ability to get the seeds in the ground at the proper time.

Here at TGRM, you have come and planted the seed of the Gospel, we have watered it with mentoring and encouragement in the faith. Prayerfully, the seeds get planted at just the proper time and in good soil (hearts that really want change in their lives).

I'm pleased to share a praise report with you. Last month we had seven professions of faith in Christ! Thank you for faithfully filling the Chapel schedule and planting the seeds! Souls are being saved and lives are being changed thanks to your faithfulness. To God be the glory!

Toledo Gospel Rescue Mission is holding its annual Fall Friend-Raiser Banquet on Saturday, November 2nd, at the Proclaim FM Event Center and could really use your help to make it profitable. All monies raised through sponsorships will go to cover the expenses of the banquet. It is going to be a fantastic evening, which will include a delicious Swiss Steak dinner, testimonies, a virtual tour of the new Rebekah's Haven facility, and music by recording artist Stephanie Alison.

Two sponsorships levels are available:

Gold: \$500.00:

Includes: A reserved table for yourself and your guests (up to 8 people total) up front for the dinner and concert, sponsorship acknowledgement at your table and from the stage as well as name listed in the program.

Silver: \$250.00:

Includes: A reserved table for yourself and your guests (up to 8 people total) for the dinner and concert, sponsorship acknowledgement at your table, and name listed in the program .

Should the sponsorship funds exceed the expenses, it will be applied to the ministry for which the evening is being held.

Tuesday Bible Study At ORC

We'd be honored to have you join us at the Outreach on Tuesdays at 7:00pm. Each meeting we fellowship and take the time needed to learn God's Word! The format this study has followed for 10 years is to focus in-depth on one book of the Bible at a time to gain a deep understanding of the text. God is good, His Word is life, and we hope you'll join us.

Fallin' Into Fall

It's October & you know what that means, we've fallen right into my favorite season, which is Autumn. Unfortunately, we all know that along with the change of weather often comes viruses and sicknesses. In order to maintain a

clean and safe environment, we're in need of household disinfectants (i.e. disinfectant wipes, antibacterial cleaning sprays). With chilly temperatures approaching, we could also use more blankets. Warm blankets and fully bellies help to bring peace and comfort on a chilly night. Lastly, our little ones are really looking forward to the end of the month, when they get to make believe for a day that they're a super hero or a favorite cartoon character. We're in need of children's costumes and sweet treats to make that happen, if you are able please consider donating some. It's small things like these that help maintain a sense of stability for these little ones while they are at Rebekah's Haven.

We want to thank each one of you that have come along side of us and those of you who continue this journey

with us. We couldn't do it or have done it without you! I'm thankful for the brothers and sisters who support this ministry.

God Bless,
Jacque

We're Thankful For Your Prayers

I would like to thank all the folks that have come into the Mission Mall this past month just to pray for me. It really touches my heart when I see the people from the community come in to get the things they need, and for many, their need is prayer. Many have come in specifically just to pray because they've heard that I have been ill. This is truly God at work...what a blessing!!!

Thank you again folks and God bless.
