LAND OF THE FREE

HAPPY 4TH of JULY INDEPENDENCE

BECAUSE OF THE BRAVE

## We Choose Love At TGRM!

Our battle cry in these tumultuous days is, "You're my brother. You're my sister, so take me by the hand. Together we will work until He comes."

At TGRM there is no picking and choosing who we serve. We follow the directions of our Savior, "Love your neighbor as yourselves." We take good care of ourselves because of who God has made us and how He loves us. That same love, which comes from God, is given to all those entering any of the Mission facilities.

On Saturday, June 6<sup>th</sup>, we came together with some of our co-laborers at an outside gathering to celebrate the unity God has given us with our

brothers and sisters in Christ. There were no protests, no political speeches, just LOVE. As we link arms and work together, God's peace reigns. We plan to work together until He comes.

On that same day, tours were given at the new Rebekah's Haven facility, which is nearly completed. We look forward to the day it opens, swinging the doors wide open for the lives of homeless mothers and their children to be changed. It is your faithful prayer, financial, and volunteer support that will make this a reality very soon. For that we are eternally grateful.

No foe can defeat us as we walk side by side in love.

God bless you,  
*Tom*

## Mission Mall Reopening

In staying with the state guidelines, there's been LOTS of cleaning along with COVID-19 precautions being taken at the Mission Mall. Just going that extra mile to ensure the reopening & the day to day operations for the Mission Mall are as safe as they can be. We want to ensure the safety & wellness of each & every visitor. Our protocol includes cleanliness, temperatures being taken, each visitor wearing a mask, social distancing within the facility, barrier around the cash out area, amongst many other things.

I want to personally thank all of our amazing volunteers that gave of their time & talents to really step up &

deep clean, organize, move things around, & really go that extra mile to make it a safe environment for our guests. A huge shout out also to all the incredible ladies that made masks in preparedness for us to open. We can't thank you enough!

Lastly, thank you everyone for the donations that you continue to bring in to help supply the Mission Mall with fresh new clothing, shoes, household goods, & many other needed items to help those in need during this trying time. Please remember us if you have Garage Sale leftovers, as these go a long way in helping right here in the Toledo area! Lastly, please remember to keep us in prayer & ask for God's hedge of protection as we move forward to stay safe & get back to our daily routine to carry on what God has called us to do here. God bless you all & stay safe & well!

### Rebekah's Haven Needs You!

It's the 4th of July and there are still families at Rebekah's Haven, even during the pandemic, you've helped us to keep the doors open to mothers with their small children. Thank you everyone who made the Fresh Air Celebration a success! We were so happy to take many who came on tours

of the new Rebekah's Haven. Just like this group of young ladies that helped to do some much needed cleaning to prepare for the event, those who volunteer at Rebekah's Haven & TGRM make such a HUGE impact! We're still in need of many things **ESPECIALLY** volunteers. Some of the volunteer positions where folks are needed the most are women's and children's chapel leaders, an Administrative Assistant, and 1st & 2nd shift house mothers. If you're interested, please go to [www.tgrm.org/volunteer-opportunities](http://www.tgrm.org/volunteer-opportunities) to fill out an interest form or call 419-241-6579 x 104. Thank you for all you've done and continue to do for Rebekah's Haven. We appreciate each and every one who has plugged into this ministry, you are God sent!
