Sixty-Five Years and Counting!

This month Toledo Gospel Rescue Mission celebrates its 65th Anniversary & I also turn 65 years old. It is mind-boggling how God has kept us both going & growing for 65 years.

Over the past nearly 20 years I have been at TGRM, God has sustained us through many changes, trials, & victories. His sustenance has come through you & people like you who donate financially, volunteer, & pray diligently for the Mission. Many, many lives have been rescued & changed eternally because of your faithful support.

May I tell you something? It's no secret, really. Thankfully, God is still on the throne at Toledo Gospel Rescue Mission working on behalf of those in need of hope and help. His faithfulness is everlasting!

I look forward to seeing you at one of the two 65th Celebration shows on the 26th, hopefully in your grooviest 60's attire. You know you could possibly win a prize for that, right? It's going to be a Sweet & Funny Celebration that you do not want to miss! Please, get your reservations made now so we can plan for you to have a great time while socially distancing. There are a limited number of seats for each show. It is one celebration with two times from which you can choose to meet your life's schedule.

Thank you so much for your faithfulness currently and over the years.

Far out!

Lives Changed For The Better

Dear Friends,
 My name is Patricia Gaither, on August 16, 2020, I am saved by the Lord Jesus Christ. I am also Blessed by the Lord. At 43 years of age, I have found myself at the depths of mercy from my God. My struggles are heavy, but he makes my heart pure. This journey through my eyes has tested the strength of my love for the Lord. We have been manipulated to believe in the personal interactions with each other is Greater than the Son. We have been confused that kind words from others are

This is such a beautiful testimony from a very soft spoken woman. She has mentioned how this place was a divine appointment. At this day and this moment she is grateful to be standing in this home. Friends you are touching so many lives. You may not see it first hand. But I want to thank you all for allowing me to witness it for myself.

~Jacque

absolutely genuine and more powerful than the wind. The lie to trust man to keep us safe from harm is more real than the wind. NOT TRUE! The wind is the breath of God. I have found in my 43 years of life that my Lords love is the only TRUE LOVE that will heal me. Through the eyes of the Lord I can see the shame of the liar that led me astray. I see the confused searching for prey to contaminate us with negativity. Which I will no longer listen to or believe. This journey of lies has landed me here at Rebekah's Haven. So that I can heal properly. The day that I arrived here at Rebekah's I was extremely damaged, we have endured the wrong path and hard times for so long. My daughter and I have accepted the Lord Jesus Christ in our lives. Today my prayers have been answered. We have been blessed to begin a new journey with a solid foundation. The Lord has taken the wheel! Amen!!! Thank you all for your support in our journey with the Lord.
