## ONE PRODUCT. A MULTITUDE OF USES

SmartTouch<sup>®</sup> Disinfectant is an EPA registered hospital grade disinfectant, cleaner. Eliminates a broad range of viruses and bacteria including superbugs like MRSA and H1N1, Coronavirus and SARS-CoV-2 the coronavirus that causes Coronavirus disease 2019 (COVID-19) with no harmful byproducts.

### EPA Registered Hospital Disinfectant

SmartTouch<sup>®</sup> Disinfectant won't contribute to the formation of mutating "super bugs" and does not contain volatile organic compounds (VOC's).

### Food Contact Sanitizer-No Rinse Required NSF Registered (D2) Sanitizer

99.999% Sanitization on food contact surfaces. SmartTouch<sup>®</sup> kills 99.999% of bacteria including E.coli, Salmonella and Staphylococcus Auras in less than 60 seconds.

### Mold & Mildew Killer

Kills Mold and Mold spores. Safe on a wide range of surfaces, marble to carpeting and beyond.

### Odor Eliminator

End malodors caused by bacteria, rotting trash, sewer systems, urine & more. SmartTouch<sup>®</sup> Disinfectant contains no masking agents or fragrances.

Hypo allergenic – Allergen reducing formula  
Non-Corrosive - pH balanced at 7.5  
Non-irritating to skin no gloves required.  
Odorless - No offensive odor

## EXCEPTIONAL PERFORMANCE

### Safe for Most All Colorfast Surfaces

#### All Hard Surfaces

SmartTouch<sup>®</sup> Disinfectant is 100% safe for hard surfaces such as granite, marble, quartz, Formica, cement, etc. It is also safe on glass, stainless steel, ceramic tile, fiberglass, natural tile and porcelain.

#### Colorfast Fabrics

SmartTouch<sup>®</sup> Disinfectant is safe on most COLORFAST carpet, furniture, drapery and linens.

Sensitive fabrics include wool, cotton, denim silk and some others. Test on inconspicuous area before use.

## DIRECTIONS FOR USE

Apply SmartTouch<sup>®</sup> disinfectant thoroughly with spray. Allow to remain wet for 10 minutes.

If being used for cleaning, wipe surfaces to remove soil. You may rinse surfaces to prevent water spots if necessary, otherwise no rinse is required.

SmartTouch<sup>®</sup> can be lightly misted on carpeting, pet beds, mattresses and bedding and allowed to dry to kill germs and eliminate odors.

SmartTouch<sup>®</sup> can also be misted on bathroom tile in showers to prevent mold and mildew.
